*“ I love and miss you sooo much already Uncle Al. You and Uncle Byrd were my only 2 uncles left so this loss has hit me really hard. I will miss my phone calls to check on you and talking and laughing at my Daddy (your look alike) with you. You will always remain in my heart and I will continue to check on Ann, and my cousins in your absence. My Daddy is taking it harder than me but it's so hard for him to lose his baby brother. I continue to pray for us all as we grieve. I miss you so much, Love your niece, Angel Bobbitt Braswell (Nettie)*

“ 🌸 My deepest condolences to the Bobbitt family and all other relatives. I've been knowing Alfred and his family since our elementary school days at Swift Creek. We lived in the same community and Alfred and I were classmates for years. The Bobbitts are a loving and close family and I know Alfred will be missed by them and so many more. He was always a fun and nice guy, always joking and loved a good time. I pray each day gets a little brighter for you during your bereavement. May God keep you in His precious care. 🙏🙏🙏🌸 Jennifer Lynch Pitts

“ I have known Alfred since elementary school. His sister Ivy and I were best friends. I used to visit this family who lived in the Swift Creek community on weekends, and we would have great times together. The Bobbitt family became my extended family. Alfred always kept something going on as well as his other brothers. As we grew older, we went different ways but I always kept up with him, because I talked to his brother Willie often. He will be missed by his family and many friends.  
My heartfelt condolences to the family and know that you are in my thoughts and prayers.
