“ Alton and I attended West Edgecombe Middle School together and became friends through his cousin (Dale Barnes). Even back then Alton was mature for his age. He didn't start trouble, never had anything negative to say about others, and pretty much stayed in his lane when potential situations were presented! His mannerism and innocent smile took him far with the female teachers but not with "Dr. James"! LOL He was well respected as a student by his classmates as well as his teachers.  
I pray for peace and healing for the Hudson's family.

I met Alton at Southwest Edgecombe High School in 1979. We graduated together in 1980. Alton was quiet, kind, and always had a smile. Weeping may endure for a night but joy comes in the morning. Praying for the Hudson family. 🙏🙏
