“ Angi and I met years ago and we became good friends. We were in Cosmetology school together. I will never forget that she was there for me during a difficult time in my life. My children and her children became close to each other. We shared a lot of good memories with one another and I will always cherish them. I will truly miss her from commenting or liking various post I shared on Facebook. God rest her soul. Love Sandra Cherry Forrest, Shamika and Javon
