“ Mrs. Ann. Was my grandma PCA/Only best friend. Im so glad we meet you. We all brought laughter, love, peace and joy in each other life. Ima miss me and you joking every morning and making grandma laugh with our jokes. Ima miss you calling on grandma.... mama let's get Shameika. Cause I'm always playing with you and grandma. I tell you Mrs. Ann that's not my name.. In your voice: Then what's your name then?? I say Shaunika!!! You will laugh. Im so glad we kept you happy and we will always say we love you before you leave. You was like family to us. Grandma always talking about how fast you be rolling across the bed when making it. Haha When I seen it for my self. I said no I can't do that I been on rolled on that floor. But you lol... you had so much energy always, land on your feets. Grandma love her some Mrs. Ann / my joking partner. No worries me, my cousin will take great care of grandma. In your voice: I know you both will. Yall two always do a great job with mama. We will always love you, You will always be in our hearts. We send our condolences to the Williams and Cofield family from the Horne family.
