“ I can't believe that I am writing on the Memory wall of My Aunt...But I know that God is too Wise to make a Mistake. Aunt Mattie you will be truly missed. I can't call and ask you to cook me something to eat anymore. nor can I call after riding passed your house trying to find out who is over there. I can't believe that you are gone. But I know that you are in a much better place, I know you and Aunt Ida are having a ball walking around heaven. I Love you and you will never be forgotten. Lisa you are in my thoughts and prays cousin.
