“ *Beverly and I have been friends since 6th grade, both of us continuing after high school to Bennett College. When we went separate ways after college, we still kept in touch - being sure to always connect on holidays & our birthdays. I will miss Beverly dearly but I am happy that she is at peace.*

“ I was deeply saddened by the news of the passing of my co-worker and friend, Beverly Stokes. I am grateful for the time we spent at the VA working together and talking about the goodness of Jesus. The last time we spoke she was enjoying her retirement doing whatever she wanted whenever she wanted, like reading a good book. My prayers go out to her family and friends. May she rest in eternal peace experiencing everlasting life. 2Timothy 4:7-8.
