“ I first want to extend my heartfelt condolences to the entire family. Grandpa Bruce was an extraordinary man who brought light and joy into our lives, and his passing has left a gaping hole in our hearts. If he was in the room, you knew it, as he brought with him a sense of joy and laughter that was contagious. His legacy will forever live on through his son and grandchildren, who will continue to carry his spirit and love for life forward. One of my fondest memories of Grandpa Bruce is of him and his son watching football games together, each cheering on their respective teams, the Commanders and the Ravens. It was a special bonding moment that I will always treasure, and it reminds me of the importance of spending quality time with loved ones. We love you, Grandpa Bruce, and will miss you dearly.
