“ I went to my brother's house and was giving him a hug as I was leaving. That's when Christina pulled up, got out the car and was like "Girl!!! I was getting ready to say WHO IS THAT HUGGING MY HUSBAND???" It was so funny and we were cracking up. She didn't play about Joey. Definitely loved him and the boys.

“ Christina was my sweet niece. She use to follow me around everywhere and I loved it. She had an infectious smile and gave the best hugs. My favorite memory of her is that green dress and green bow. Her mom knows which one I'm talking about. I choose yo remember her like that. Your Aunt Emma loves you now and forever. Rest in peace my sweet Angel.

Christina and I grew up together. We reconnected once she moved back to the Roanoke Rapids area. Our boys were close as well. I will truly miss her. Her smile will be forever in my mine and heart. Until paradise my dear friend.
