“ Oh C. T., I will miss seeing you around town. I am sorry for your family's loss. Take care and I will see you on the other side. We did have some good times back in the '70s. I always enjoyed seeing and talking to you.

“ Clyde was my brother, He would always call me sis. Oh how I'm gonna miss that but more importantly I'm gonna miss my brother. His smile, and little sarcastic little jokes. Most of all I'm gonna miss the way he could make me laugh when I was upset. My brother was a good man who had a big heart those who knew him loved him. I remember him singing in the choir at church when we're small, now he is teaching new songs to the angels in Heaven. Brother you are with mom and daddy now and all are shouting and praising the Holy name of Jesus. In my heart you will forever live. Love you. Your little sis.

“ I thank God for hearing your preaching years ago, singing with you, hearing your testimony and knowing how God's blessings of forgiveness of every weakness and failure He helped you overcome. Enjoy being with Jesus and all your friends and loved ones already there!
My prayers of comfort and peace for all the family.
