“ To My Dear Family: The memories that we hold of our departed loved ones are the best things in life. They can bring us so many emotions filled with love, peace, joy, happiness as well as tears of sadness. As we bid farewell to "Goo" let us remember him for who he was and what he meant to each of us in our own special way. Let's remember him for just being "Plain Ole Goo." He will never be forgotten. Goo, may you rest in eternal peace. Later Cuz! ~Rae~
