

Mrs Dora Altagracia Quezada

April 28, 1931 - March 29, 2018

Dora Altagracia Quezada was born on April 28, 1931 in Santiago, Dominican Republic to Teresa and Miguel who have preceded her in death. Her sisters were Gladys, Fatima, Carmen, Lourdes and brother, Vincent, who have all preceded her in death.

She is survived by her only child, Odalys Santiago and her husband, David, as well as her step daughters Myrna Mendoza, Nilda Vargas and stepson Efrain Alvarez and his wife, Gloria.

She came to the United States in 1956 and married in 1960. She worked as a seamstress and raised her daughter as a single parent. She loved crocheting and flowers and her favorite color was purple. She loved music and dancing. She loved her mother and daughter very much, but her most important love was that of the Bible.

She had a very old King James Version she brought with her from the Dominican Republic and used to read it regularly because she was very conscious of her spiritual need. When many years later she was offered a Bible study, she accepted it, as there was much she read in the Bible that didn't agree with what she was taught as a child.

She immediately recognized the truth and was baptized in 1977. Although in her later years she was plagued by many issues, she never lost faith in God's

promises for the future and always supported true worship. She had faith in Jehovah's promise of seeing her parents and sibling again.
