“Geraldine Moore you will be truly be missed. Gerry as she was dearly known, was one of the most feistiest, funniest, outspoken and family oriented person you would ever meet. All of those qualities, is why we will always love her so much. She did not bite her tongue if she had something to say. Oh yeah, I forgot to mention she was a "Diva" and Sassy as she wanted to be. She is sleeping now with no pain and no worries. Hopefully we will all see her again.

We love you Gerry!!!

“You were one of a kind indeed. I will certainly miss you. I'm I'm ever so grateful for the moments we've shared together for they are now memories that have left such a loving imprint on my heart 💕. You have dropped some serious knowledge on me about REAL life issues that I have been able to apply in my own life and I thank you for that. I still look ahead to my golden years so I can be fly like. You will forever be one of my favorite Golden Girls.

Love you forever,

Great Niece Sheketia

“ My fondest memory of my sister is her shopping habits she would go to every store in the mall even if she was being pushed or walking. My sister was a hardworking woman who enjoyed life to the fullest. More than anything I loved the fact that she learned about Jehovah and his future blessings. i long for the time when i will see her again.

“ Gerry was my sister-in-law and I will truly miss her. I will always remember our times spent together on cruises we were on together. She would drag me with her to steal a "smoke" and gamble. 😊.

“ Geraldine became my "adopted" Aunt Gerry in the last few years and I grew to love her and the Moore family very much. I share in your loss but am comforted by the fact that she suffers no more. May you be comforted as well. My love to you all.

“ Gerry always had her eyes closed but when she heard my voice she would pop her eyes open and look at me from head to toe!! It always made me laugh.. we all know she had her way but at the end of the day.. don't we all!! To all the brothers and sisters my condolences, I know it must be difficult to loose another sibling in death, so may Jehovah ease your sorrow and be with you in you time of loss.

“ My Aunt Geraldine Moore was a funny lady. She called me all kinds of names that always started with FAT 😊 Afterwards she would try to make it up by calling me Carla. I fussed with her all of the time and she loved it. I will forever remember her and her smile 🌹
