“ As Stuart Scott would say ,*"AS COOL AS THE OTHERSIDE OF THE PILLOW."* To me Mr. Davis was not only my history teacher but also my counselor and advisor .He was always encouraging the guys to be respectable young men. We would always have conversations on the football game that we played on Friday nights .R I.P Mr. Davis .Truly one of the good teachers and a cool dude.

“ *May Mr. Davis long be remembered for his kindness and his love for history. It was he who gave us our push to learn more about our ancestry and history since it was not taught in public schools during the 1960s.*

*Thanks Mr. Davis!*
