“ I extend my most sincere condolences to my family during and after this trying time. I am the eldest granddaughter of the late Mr. Johnnie Seabreeze. Our chain has been broken, and we all know that to be absent from the body is to be present with the Lord. Jerry is resting now and rejoicing with the many family we have awaiting his arrival! To know him was to love him, he will be sorely missed. Praying for you in each passing day.

“ *My heart is broken hearing the news of your passing. My last conversation was by phone. He laughed as we reminisced of the earlier times together. Jerry always called me family. We never texted or hung up without saying I love you. Never will I forget his real ness and sincerity whenever he saw me. I love you, I will never forget your bright eyes and smile. Rest now, no more pain or suffering, God Bless all who loved you.*
