“ I remember Jimmy being quiet, easy-going, and always polite. Never known him to be disrespectful or show attitude and that you can't say about most of us. I'm sure he will be greatly missed. My condolences to the Bullock family and praying strength and comfort for each of you.

“ Jimmie was the person who first sparked my interest in motorcycles. Came over to the old house riding an old 750 Honda. Told me to ride even though I had never ridden before. I did. Laid it down in the loose sand though. Struggled to get it back up and made it back to the house. I have owned numerous motorcycles since then.
