“ Hey Grandma!! Happy Holidays to you 🙏🙏🙏 I was just thinking about you and how I haven't been up here in a while to talk to you. I just wish you was here the girls look at your Obituary and they kiss it and say I love you grandma. Even when my baby girl never got a chance to see but it seem like she already knew who you was and I just cried. Because she said she wanted to see you i told her she couldn't because you not here anymore and she cried because she wanted to see you 😞😞😞 😞😞😞. She always kissing your obituary saying that she love you 🥰🥰🥰.! We love you grandma and we always will continue to watch over the family. 😞😞😞😞 I love you grandma

You was my heart my soul and when you left it took all of me to even make to see the next day but I remember I said them words to you and I knew that you didn't have to suffer nomore!! You can walk and talk all you want now grandma I love you always and forever!! I couldn't make the funeral I couldn't be able to take it because that not how I wanted to see you but I know you in a better place now.
