“ Sending our sincere condolences to the family. Aunt Minnie was indeed a very special person, she had a peaceful comforting way about her. We always loved visiting her whenever we were in Rocky Mount. Love and prayers Marjorie, Sherliea and Alvin Moody.

“ We are sorry for the loss of your mother, I can say that she was a loving and caring person, who loved people. I enjoyed working with her in the Field Ministry. Even if we offered, to assist her, she would tell us, that she is good, and she didn't need any assistance, in walking, because she had always been, an independent person. Our heart goes out to the family, with deep sympathy, we no there are no words to ease the sorrow and pain. But we do know, that the family can have assured comfort, according to Second Corinthians chapter one verses three and four. The Rogers Family.
