“ *Sharon, I recall as much as he loved his boys, there was no one like his "Poochie" as he so affectionate called you. May all your wonderful memories comfort you during this heartbreaking time. Cousin Percy, "Proach" to me had me driving a three speed manual, downshifting the clutch at 14, Aunt Lillie, your grandma, would be yelling, Lord have Mercy, she gon turn that car over. With a big laugh, he said, getting her ready to get her license, if she can drive this, she got them. Well, speed became my middle name. To this day, I still drive fast and know how to open the butterfly on a carburetor with a hair pin. SIP cousin dear cousin, you left your mark on many.*
