“ *Edna you and your family are in our prayers in the loss of your dear brother, it's hard when our love ones depart from this life, we can't help but to feel a void and to miss them more than we can share, the Bible does say to be absent from the body is to be present with the Lord, that lets us know that we will see Richard (Bopete) one day in his Heavenly body. We love you classmate and please call us when you just need a friend to listen and talk to. Classmates Connie & Deborah*

“ Bo , will be missed over the years our family didn't get to gather like we use too. So we drifted away not forgotten, remembering the good times, crazy times, sad times of years gone by he was there to say something to make us laugh, teasing make people angry, what ever he felt like that day or time. That was my cousin Bopete. Rest Easy!!!
