“ I know this is old and it's not looked at much but this young man was amazing. We were in BCT together and I was going through some things and he was always there to help get me through whatever it was I was going through. The first time he helped me was on a ruck march, I had shin splints and stress fractures on my knees and my ruck was sack felt like a thousand pounds, I was doing my best at keeping up but I kept falling back. When he noticed I was struggling he fell back with me and walked behind me and held my ruck up off my shoulders for a little while so I could regroup myself and catch back up. He did that 3 or 4 times until the ruck was over. He was an amazing battle buddy and friend. I'm glad that I had the honor of meeting and getting to know him. I have many more awesome memories of him that I will hold in my heart forever.

“ *My condolences goes out to the family of PFC Lucas. It still pains me to know of this news. I was one of his first line leaders at FT Stewart, GA. I tried my best to teach him what I knew and guide him the best way I could as I do with all my Soldiers. He was one of my challenges as a leader but those Soldiers always become the best type of leaders and I couldn't wait until the day I seen stripes on his chest because I knew his potential. I went home almost every day telling my family about him and I still talk about him today. He'll always hold a special place in my heart. Rest easy young man.*

“ *As a leader, you always have those soldiers that impact your life. He was definitely one of those soldier's for me. The first time I met PFC Lucas, was on the PT test. He was the first one to cross the finish line! I was like hey soldier what's your name, he said in that deep voice "PVT Lucas big sarge!" And my reply was well I owe you a lunch, he said roger that! Well, I never got the chance to take him to lunch, but he always reminded me every time I saw him lol that was a great memory. Well PFC Lucas, I still owe you that lunch, and I know will see you again someday! Until then, rest easy Knucklehead! Arming the Rock!, Airborne all the way! Big Red One! One love, SGT Kristin S. Staten...*
