September 26, 1945 - August 16, 2025

Mrs. Rosalind Frederica Mills, age 79, Rocky Mount, North Carolina fell asleep in death August 16, 2025, in Tarboro, North Carolina..

Please see Arrangements Below:

Rosalind Fredrica Mills was born September 26, 1945 in Plant City, Florida. She was the eldest of four children. She was predeceased by one sister, Barbara Green; she is survived by one sister, Hetty Colden Smith (Wilbert) and one brother, William Flournoy (Veronica).

Rosalind was married to the love of her life, Godfrey Mills (deceased) of Pittsburgh, PA, for 54 years and she loved her life in Pittsburgh, PA.

Rosalind and Godfrey moved to Rocky Mount, North Carolina in 2019 due to health issues and to be near her family. Rosalind loved to tell the story of how they met. Brother Mills was a visiting speaker, so she asked her grandmother if they could have him over for dinner. He gladly accepted because he wanted a home cooked meal. She made the dinner and he enjoyed it so much that he sopped the gravy with the biscuit. She knew she had him then.

Rosalind was an excellent cook. She made everything from scratch: cakes, pies, cookies, lasagna and many other dishes. She cooked with love. There was one thing—when she served you, you had to clean your plate. She didn't like to waste food.

Rosalind learned to love the ministry and as an elder's wife, she was busy with him. After his passing in 2020, she felt lonely and lost. So, her family kept her busy and she regained that love for Jehovah down to the end of her life. Her desire was to see her husband again.

Rosalind also loved to sew and she was creative in decorating their home over the years. She had two fur babies, Missy and Chewy, who were her constant companions for many years. She is gone but will not be forgotten. We hope to see her and her husband again.

What we will miss is her beautiful smile, quick wit and sweet personality and seeing her light up as she talked to others about Jehovah. She will be missed by many friends and family members who loved her.
