Roscoe our last conversations was great! The boys (Roger Kyaire and Prince) lit up as usual always ready to tell you a story about what they were up to. Thank you for taking care of mommy best you knew how. You walking her only baby girl down the aisle meant the world to her. You were a hands on grandfather to the boys and Bud (Big Roger) and I are grateful for every memory that will live on in them. You felt an impact in so many Your spirit will live on Job well done. 🕊️ Shenisse Liburd
