“ *Praying for the family of Ms Rose. I worked with Rose years ago at Standard Products and again at QVC. She was a very quiet person but hard worker at both jobs. She will be missed tremendously by her coworkers. RIH Rose!!!!*

“ *To the Family,
I'm so sorry for your loss. I will truly miss Rose. She was in a class all by herself and I learned from her how to be strong and not give up. I will always love her for that. She was real. May God continue to strengthen you all. We all were so blessed to have her in our lives Lets continue to cherish the memories we have with her. I know I will.
With love,
