“ My sincere condolences to Shirley’s family and friends. I learned of Shirleys passing just today and I’m heartbroken. Shirley and I worked together at BWSW for years, and for five of those years we worked for the same boss. Shirley was such a sweet person and so much fun! You will always have a special place in my heart. Rest in Peace Shirley.

“ I was sad to hear of your passing, just today. Had I known back in December, when it happened, I would have paid my condolences to your family. I enjoyed working with you at BWSW years ago. You were a hard worker and a very nice person. I pray you are resting in peace.

I understand that your nephew just notified BWSW this week of your passing. I’m sure many of them would have paid their condolences as well.

“ I first met your Family around age 4. We spent a lot of time working together and enjoying what free time together we could get. We lost touch and then you moved in our Apartment Building. I enjoyed seeing you . Thanks for inspiring me to keep going on matter what the challenge. Your determination to do it yourself, I so admired. Rest in Paradise, missing you and love still remains and always will.

“ Aunt Shirley, I am so thankful I had the chance to see you the week prior to transitioning, I am forever grateful I had the opportunity to give you a hug and kiss. I know I thanked you for being there for my kid's milestones. I am happy to say my name and know that you named me Cheryl Marlice. I loved how you carried yourself with so much grace and style. When I was a little girl I thought you were so beautiful. I love you and will miss you.!

“ Growing up together there are too many memories to just choose one. I will forever remember though, her singing and pretending to be Diana Ross and I was a backup singer.
