“ Tee Tee, I was not ready for today. Your service was beautiful. I enjoyed hearing the remarks that everyone shared on your behalf. You were such a beautiful little girl. You had the biggest heart and the biggest smile to go along with it. You use to love to joke and play; and you could hang with your cousin Malc-Malc. Lol... I use to call you and Malcolm "Double Trouble". Lol You broke all of our hearts when you had to leave without us. Time and life came between us, but we all had a love for you that never dissipated. We loved you then, we love you now, we will love you forever. I will hold on to your memories and cherish them deeply. One memory I love the most was when we had dinner you'd say: "Aunt Tell, I ate all my points". You were very appreciative, kind and loving. I will miss hearing you say, "Hey, Aunt Tell!" With love and excitement each time you saw me. I know you would have been a great mother to Mason. I can feel that in my spirit. You would have went hard and worked hard for him. I lift him up right now in the Mighty Name of Jesus.. I pray that God will put a fiery hedge of protection around Mason and keep him from all hurt, harm and danger. Open up the windows of heaven and pour down continuous blessings throughout his life and legacy. You will never be forgotten, Tee. We will always see you through Mason's eyes. May God wrap his arms around your Mother, your Grandmother, your Son and your family and friends and give us all comfort, peace and understanding. Fly high, Tiara Aaliyah Bland and watch over us. Love, Aunt Tell
