“ *Tim I love you with all my heart. Words can't never express the pain I feel at this very moment. I can see your smile, I can still hear your voice, I remember all the positive conversation we shared. Everything you said came to pass. I wish my phone to ring and you be on the other end, or get a knock at the the Door just to hear you say I love you cuzzo and me way back I love too and you be safe out there! At leat I have the tattoo we got together that will remind me of the fun we had together. I wish I could hug you one more time.*
