My prayers are with you as you mourn and celebrate the life of your youngest brother. I first met Walter when your late brother Thomas, my college roommate, invited me to your home. Walter was young and full of life and very attentive to the Bible study that was being taught by his parents. It is my prayer that Walter will rest ever so peacefully with God. Let us continue to call his name so that he will not be forgotten.

My deepest sympathy to the Wilkins family. We all grew up together and studied Bible together. A family full of the love of God and in this time of need God is who you need to see you through. We will be praying with you as you go through this time. Continue to keep God first and foremost in your lives and may God continue to bless and keep you all safe.
