“ *Saddened to learn of Bill's passing... I knew Bill for many years through working at Ilco. My impression of Bill was that he was a very decent person, and also one with a very strong work ethic. If Bill was involved in machining a part, you could pretty much guarantee it was made to specification.... and if he said he was going to do something, you could consider it done! My sincere condolences go out to Bill's family.*

Mr Bill was a great man who always told me that I was his favorite security person he always greeted me with a hug and always had a piece of candy and stated always stay sweet my dear. Mr Bill was a loving and comforting man who always had an encouraging word and I will miss him dearly. I pray for his family that they will find peace.
