“ Dear Aunt Willie Jean,
I thank you for teaching me kindness. I thank you for showing me that women don't need a man to be successful. You taught me love, you brought me immense happiness and you were and forever will be my best friend. Aunt willie jean, you are the most beautiful person I know, your style is impeccable and your hair was always perfect. God puts people in our lives for a reason and I am beyond blessed that I got to meet you. I love you beyond words, I know that you loved me and I will forever love you. I am content and so happy knowing you are with Uncle Jerry, Your mommy, Uncle Boy, God and so much more. You mean the world to me and I promise to name one of my children after you. I'm so happy that we crossed paths and you will forever be in my mind and heart. I love you forever Aunt Willie Jean.

Brother's and sister's, we do not want you to be uninformed about those who sleep in death, so that you do not grieve like the rest of mankind, who have no hope. For we believe that Jesus died and rose again ,and so we believe that God will bring with Jesus those who have fallen asleep in him
