“ *Thank you for the gift of love. Now you're sharing it up above.
You had many things to say, all in a carrying way.
You always saw the good in everyone, no matter what they've done.
You were always the one we could all lean on, even though it felt
like a ton.
You were always the strength of the family.
Now we must let you rest calmly.
I know your place in heaven has a good view.
You're telling God, I need to keep an eye on a few.
I know you will always be in our hearts and minds.
I will never forget you, you're one of a kind.*

“ *I really enjoyed listening to her tell stories about my dad when he
was young. Aunt Chicken was a strong woman with a strong soul.
Her stories and memories will never be forgotten. Love Monique*
